

HOW TO MAKE A DEPOSIT OR WITHDRAWAL

Players can now deposit funds within the phone system, although the player still has the option to call the call centre as well if he/she wishes to do so.

To deposit funds a player will be required to enter their:

- player ID number,
- four digit PIN number,
- the last four digits of his or her credit card number
- followed by the hash key.

The **maximum deposit** through the IVR system is **£3,000**.

The **maximum deposit** through the call centre is also **£3,000**.

As well as depositing funds players can also make withdrawals.

To withdraw funds, the player will again be required to enter their:

- player ID number
- four digit PIN number
